MONTH'S HIGHLIGHT

EARTH DAY 2021

Climate Literacy Conclave for South Asia

To celebrate the anniversary of Earth Day and lay emphasis on the importance of climate education, Mobius Foundation, The Climate Reality Project India and Earth Day Network organized 2 days Climate Literacy Conclave for South Asia with policymakers and Youth Voices, held on April 15th and 16th 2021.

The Biden Administration hosted world leaders in a climate summit on Earth Day and is a sign of the new president's commitment to not just re-join the Paris carbon-cutting accord but also strengthen it. Climate Literacy conclave for South Asia was precursor to the event.

The event was attended and watched by 500+ participants nationally and internationally.

DAY 1: (April 15, 2021) - Climate Literacy Conclave for South Asia with Policy makers

The event kick started with the welcome note by Dr. Ram Boojh, CEO, Mobius Foundation and opening remarks by Mr. Aditya Pundir, Director South Asia, The Climate Reality Project India. He emphasized that the solution lies in three Key words – Innovation, Technology and Change in behaviour and has to work in unison. Mr. Pradip Burman, Chairman, Mobius Foundation sent his message and best wishes to the event focussing on education is an essential element of the global response to climate change. We had our eminent guests, Dr. Partha Sarathi Roy, Ex. Director, Indian Institute of Remote Sensing, Dr.Nakul Chettri, Regional Programme Manager for Transboundary Landscapes at ICIMOD, Prof Erandathie Lokupitiya, University of Colombo, Sri Lanka and others from South Asian countries. The speakers emphasized role of climate literacy, its awareness and adaptation to climate change related trends. The session for day 1 concluded with a vote of thanks from Ms. Karuna Singh, Regional Director Asia, EARTHDAY.ORG.

DAY 2: (April 16, 2021) - Climate Literacy Conclave for South Asia with My Future My Voice Youth

The second day had Youth from #MyFutureMyVoice campaign of countries like India, Afghanistan, Sri Lanka, Bangladesh, Nepal, Pakistan, Maldives and Bhutan focussed on the importance of Climate Literacy and influence the world that change starts from them. They shared movements led by them provided very good ideas and examples on climate literacy or environment education as a whole like integration into curriculum.

GYAN ANANT VIDYALAYA (GAV): Orientation Program

An orientation cum introduction programme of teachers, students and parents was conducted on 17th April 2021 which marks a successful beginning of the session 2021 -22. It was conducted by the admission counsellor aimed at familiarizing the students to an unknown Campus environment, its faculty members and infrastructure. Through this they made a bridge by introducing themselves and exchanging their thoughts. Parents got familiarized with the principal, teachers and other staff who can address to their future issues. They got better understanding about the vision and the motto of Gyan Anant Vidyalaya and the Mobius foundation.

AAKAR

We have successfully participated in UP govt's new initiative "Kushal Parivar Diwas", this day is specially celebrated at Uttar Pradesh Govt health centres with the objective of giving choices of family planning to families. Through this our counsellors encourage families to inform & motivate eligible couples to visit the primary health centre to participate in khushal pariwar Diwas.

We are moving forward to our next step by creating awareness in family planning through wall paintings in villages of Barabanki and Bahraich, Uttar Pradesh. Our aim is to consistently work towards increasing contraception awareness and access among communities, counselling on Family Planning methods and offering increased options to choose. In addition to this, we will provide hygiene kits and table fans to associated Asha workers for working proactively with us.

WEB DISCUSSION

Legends of India from 20th Century

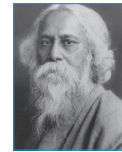

Some of the most inspiring personalities lived during the 20th century, a crucial period in the country's march towards independence. In this reawakening, individuals from every sphere contributed their talents such as freedom fighters, politicians, social reformers, writers, artists philosophers, film and sports personalities. The life and contribution of 4 great Indian personalities, Rabindranath Tagore (Bengali poet, writer, composer, philosopher, social reformer and painter), Indira Priyadarshini Gandhi (Indian politician and a central figure of the Indian National Congress), Field Marshal Sam Manekshaw (the Chief of the Army Staff of the Indian Army during the Indo-Pakistani War of 1971) and Dadasaheb Phalke (Indian producer-director-screenwriter, known as the Father of Indian cinema) were discussed in the month of April 2021. Everyone from the organization shared their views on the life and achievements of personalities and the best presentations were recognized and rewarded by the Chairperson & CEO of Mobius Foundation.
